Natural Latex

NATURE'S SOURCE

Talalay latex

The tropical rubber tree is nature's source for crafting the perfect sleep environment. Made using the eco-friendly Talalay process, our latex is the finest quality in the world.

TALALAY LATEX

Comfortable and Supportive

Instantly conforms to the shape of your body while providing optimal support.

Healthy and Breathable

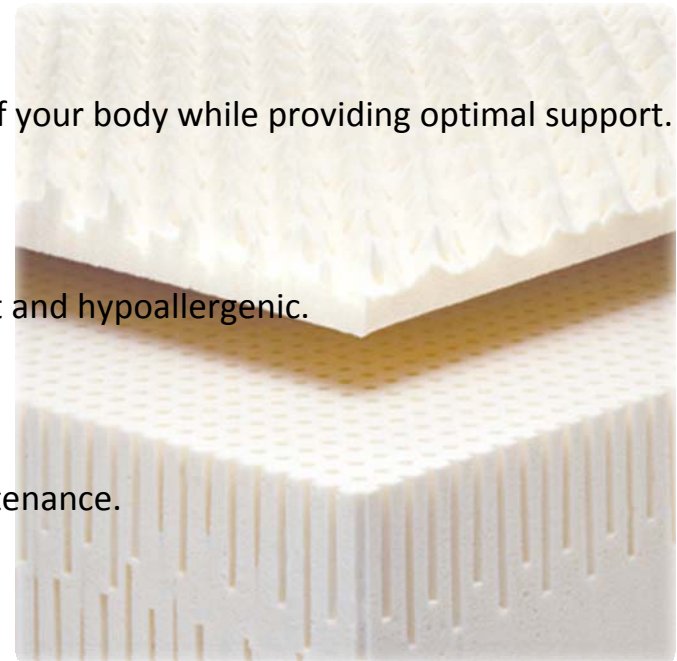

Anti-microbial, dust mite resistant and hypoallergenic.

Durable

Longer comfort life and less maintenance.

Proven Superior

Test results prove Talalay latex mattresses provide up to 33% more pressure relief than other bedding materials.
